The Globally Competitive College Program to Prepare the Globally Competitive Worker

Extended Professional Behaviors

- Attitude & Respect
- Discipline & Character
- Responsibility
- Organization
- Time Management
- Productivity
- Social Media Ethics

NEXT GENERATION

Skilled Team Member

Personally Ready

6 Professional Behaviors

Attendance/Initiative/Diligence/Interpersonal Relationships/Teamwork/Communication

Extended Professional Behaviors

Attitude & Respect/Discipline & Character/Responsibility/Organization/Time Management/Productivity/Social Media Ethics

Competitively Ready

5 Manufacturing Core Capability

Safety Culture/Workplace Organization/Lean Manufacturing/Problem Solving/Machine Reliability

Universally Multiskilled

Electrical & Control/Fluid Power/Mechanics/Fabrication

Strong Math Capability

Upper 1/3 nationally

Strong Reading Capability

Minimum 12th Grade Equivalent

Fast Technical Learner

Learns, applies, improves, learns again quickly

Uses & Learns with Digital Media

Digital media is the preferred method

Strong Problem Solver

Fully explains and applies Problem Solving method, applies Troubleshooting process

Effective Verbal and Written Communication

High Public, Team, and 1-on-1 verbal skills. Develops quality written work.

Natural Teamworker

Prefers working as part of a team

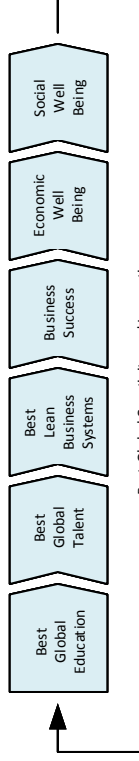

Qualified for the Next Level

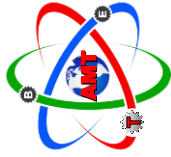

Associate Degree

TARGET: 100% of Maintenance Force

Why?

THE AMT PROFESSIONAL BEHAVIORS CONSIST OF 3 MAJOR BEHAVIOR SETS

The Six Professional Behaviors

The 7 Essential Behaviors

The 5 Professional Practices

Other AMT Activities Which Contribute to "Soft Skills"

The Competitive Practices

AMT Program Professional Behaviors Overview

The AMT Professional Behaviors are a direct response to the emerging "soft skills" crisis in the American workforce, including new graduates into the workforce; the lack of any effective, systemic activity to develop these skills in those who will enter the workforce; and to the recognition that soft skills are a crucially important contributor to maximum business success.
